Infrastructure

The **PARENT BODY**

Samajik Kalyan Sanstha

Er. Ravi Chaudhary, a Philanthropic Entrepreneur, founded 'Samajik Kalyan Sanstha' in 1993. As a 'Missionary' and 'Visionary', fourteenth institutions have been established since then. K. K. Teachers Training College at Kapasara, PO- Bagsuma, Govindpur, Dhanbad, Jharkhand popularly known as KKTTC, was set up in 2017. The authority is committed to develop the college as one of the best seat of 'Teachers Education' in Eastern India fulfilling the socio-economic development needs particularly in Jharkhand.

Samajik Kalyan Sanstha is 'Registered' under the 'Societies Registration Act XXI of 1860'. Its 'Registration No. 590, 10-12-1993' in Bihar state and it is reciprocally Registered in Jharkhand State having 'Registration No. 119' of the year 2007. The Society has established 'K. K. Group of Institutions' since its inception by the 'Founder Chairman, Er. Ravi Chaudhary'.

The philanthropic 'Society' is having a core group of qualified engineers with vivid experience in industries, Govt. project/s implementation, rural development, illiteracy eradication and social uplift of uneducated women and children. It has established, so far, fourteenth technical & professional institutions including K. K. University in Bihar in the preceding and present decades.

In order to achieve its objective of imparting quality education, the Society established K. K. I. T. I. in 1993 for the promotion of 'Vocational Training' and got affiliation from the State Council for Vocational Training, Patna (Bihar). It has been a successful institution in creating a platform for the deserving students of the state. The management has taken special care of all the institutions established by the Society to provide job oriented Technical & professional courses in order to generate competent professionals ready for embracing the challenge of globalization in the 21st century.

CHAIRMAN'S DESK

Er Ravi Chaudhary

With the education system unfolding new possibilities and opportunities, it is inevitable that education in India will certainly need to do more and deliver better. Since education is the tool of Social change, K. K. Teachers Training college is imparting quality Education in order to create a knowledge society and global environment. In present educational scenario, innovation in classroom practice is the crying need of the hour. We encourage innovation by the classroom practitioners in and outside the class. Emphasis is laid on all round development of student-teachers. A teacher must leave no stone unturned in growing the students for nation building. The process of teaching-learning should evolve round the issues of peace, love, harmony and brotherhood which will transform the students of today into ideal citizens of tomorrow. I am confident that our teachers of tomorrow will definitely achieve meaningfully their respective goals and reach their destiny.

K. K. Teachers Training College with its infrastructure facilities, human resources, laboratory and library would assist my students to acquire knowledge and information and deliver the same for the sake of our society and country.

I welcome all of you and wish you a very successful academic career as students of this college.

With Best Wishes

VICE CHAIRMAN'S DESK

Er. Richee Ravi

The Vision to establish K. K. Teachers Training College came in my mind when I visualized impediments and turbulence of the students of Bihar & Jharkhand territory aspiring teaching as their career. A large number of students who want to facilitate their society with their teaching in future have limited or no scope in these two states. Thus the vision to establish K. K. Teachers Training College struck my mind and delighted my soul. Now I am happy to say that my dream comes true and K. K. Teachers Training College is ready to fulfill the dream of mine and my students.

It would not be wide of the mark to say that my vision is to service of society through education by producing educational leaders. I want a revolution especially in the field of teaching by producing a teacher par excellence. To make my dream a truth I request:

**“Don’t walk before me
I may not follow
Don’t walk behind me
I may not lead
Come and walk along with me
and be my friend...”**

Mission

To foster an intellectual and ethical environment in which both skills and spirit will thrive so as to impart high quality education, training and services with an international outlook and to create and develop technocrats and business leaders who will strive to improve the quality of life. Establishing a symbiotic relationship between the institution, society and community through value added education in the core is the prime objective of the society in the Chhotanagpur plateau.

Vision

K. K. Teachers Training College envisages becoming World-Class Centre of learning through synergic implementation of discipline, creativity and innovation in Teachers Education embedded with human values. We promote activities for good democratic principle of freedom and justice for all.

Objectives

- ◆ To provide cost effective and quality education at par with the best in the country
- ◆ To educate and train Diploma & Degree level students who can become leaders in Teachers Education.
- ◆ To contribute to the task of nation building by churning out well educated, confident and highly trained teachers.
- ◆ To meet an ever-increasing demand for competent teachers for private and public sectors in India and abroad.
- ◆ To provide latest and advanced books in Education, Humanities and Personality Development through well equipped library.
- ◆ To provide qualified, well experienced and dedicated faculty for the maximum benefit of students.

Conference & Seminar Hall

Conference & Seminar hall, with a seating capacity of more than 200 persons, is equipped with the latest gadgets at par with International standards.

ET/ICT Room

Information and Communication Technology (ICT) is an umbrella term that includes all technologies for the manipulation and communication of information. It deals mainly with the uses of tools and techniques to enhance the effectiveness of the teaching-learning process. Educational Technologies (ET) deals mainly with broad theoretical and classroom oriented issues, including processes, while ICT in education largely deals with practical aspect of Educational Technology.

Science & Mathematics Education Resource Center

Science and mathematics are essential components of general education of an individual. Science and mathematics are not mere disciplines of study but also a way of life. The process of scientific thinking based on scientific reasoning, mathematical logic, scientific method of problem solving and mathematical accuracy and above all the values they inculcate, cut across various disciplines and are applicable in every walk of life. Science and Mathematics education at school level has to focus not only on development of understanding and skills related to these subjects but also on the development of scientific temperament among the learners.

Psychology Resource Center

The teachers are expected not only to understand children and how learning occurs but should also be aware of their inclinations, expectations, perceptions, dispositions, potentialities, acumen etc. Teachers with such technical know-how and confidence will not only be able to apply the theoretical knowledge to real life situations but will also be able to use the knowledge of their field and real life experience to construct. In the view of above opinion Psychology Resource Centre has well equipped psychological test apparatus such as mirror drawing test, intelligence test, memory test and some paper on personality, teacher effectiveness test to provide training for student-teachers that how to psychologically identify the individuals.

Art and Craft Resource Center

A well equipped Arts and Craft Resource Centre is functional for providing opportunities and training to student teachers for acquiring and enhancing necessary skill in different areas of arts and craft as a prospective teacher and also as an individual.

Health & Physical Education Resource Center

Health education is both “contents and a process” comprising of desired change in knowledge, attitudes and practices. Sports and physical training constitutes an essential part of education. Physical development of the body is required for healthy growth of mental abilities. Regular physical exercises and training and active participation in various disciplines of sports and games are encouraged under the guidance of trained teacher and coach. Team events teach us to contribute individually towards a common goal and to work for common cause. But individual events exhort one to excel all others in the race. Athletics and indoor events like chess and carrom are a few of such individual events the trainees are encouraged to practice.

Curriculum Laboratory

It is a new introduction in B. Ed. curriculum. Updating the curriculum is the need of the hour. As per new guidelines of NCTE, we have updated the said curriculum for two years through curriculum lab. Here, several times the curriculum of various universities are collected, discussed and created essential issues to update the existing curriculum identify the irrelevant issues and delete them shortly. It is a research lab on constructing curriculum.

Hostels

One Boys Hostel and one Girls Hostel is available in the College Campus with 200 accommodation facilities. The hostels are having a Power back-up, Wi-Fi Internet facility and a team of Superintendent, Wardens and Security personnel are available for looking after the students all 24 hours. Since the seats are limited, allotment is done on first-come-first served basis.

Staff Quarters

In-Campus Staff Quarters is available while a new four storied building is also on the verge of completion. The Quarters are also having a Power back-up for all 24 hours. Security personnel are active round the clock in the campus.

Function & Event details

Cultural programmes like Freshers welcome, Farewell Programme, Annual Function, 26th Jan & 15th Aug Celebrations, Annual Sports oriented regular programmes are the usual ones, apart from regular Kavi Sammelan, Spiritual Sammelan, NCC Programmes, Blood donation camp etc., organized and participated by the students and staff members of the KKG family.

Sports

The college provides facilities to students for pursuing a wide range of sporting activities in the campus. The outdoor facilities include Football, Cricket grounds, Volley ball, Basket ball, Badminton courts and Indoor 'Common Room' (Recreation hall) for Table Tennis, Chess, Carom etc

Health care

A medical unit is available in the campus besides arrangements in our own hospital, 'K. K. General Hospital & Research Centre'.

Campus Mart

The 'Campus Mart' provides books, stationery items, dresses, together with reprographic facilities. Attached with this, a Cafeteria and 'Food Centre' are also available for all incumbents of the campus.

Bank and ATM

The campus is having a branch of 'Bank of India' and its ATM facility for all.

Post Office

The campus is having a branch of 'Post Office' with all facilities.

Amphitheatre

A state-of-the-art 'Amphitheatre' has been built for the cultural activities of the students

Guidance & Counseling

This cell guides and counsels the students to get psychologically boosted. In order to expedite the adaptability in the learning environment, the 'mentor-mentee' system has been put in to practice by which a group of students is assigned to a faculty member for overall assistance and regular monitoring.

Mess

Mess Facility is available on economical rate.

Transport Facility

Transport facility is available from all major routes of the city.
