

# PLACEMENT

The Institute provides placement facility through its Placement Cell. The Placement Cell plays a vital role in placing the successful pupil teachers suitably.

The competition for employment is increasing everyday along with new frontiers of employment in teaching profession. In order to provide all possible assistance to our students, college formally established its Placement Cell. It acts as a liaison between the interests of the students and the recruiting agencies. In a short span of time the Placement Cell has developed a network with reputed schools of the region. The role of Placement Cell starts as early as organizing the past records of students at the time of admission, and helps them to prepare and update their individual profiles by providing the required technical guidance, knowledge of different pedagogies, and school related experiences through a variety of activities. We try our level best to develop the potential of our students through practical exposure and interactions. Several workshops and skill development programs are being conducted to develop their teaching skills to suit the requirements of recruiters. It is well supported by both faculty members and students.
